PROPOSED CHANGES TO STANDING ORDERS

Report by the Clerk

Purpose of Report

- 1 Proposed amendments to the Standing Orders in accordance with the recommendations of the Executive Panel at its meeting on 26 August.

Background

- 2 The amendments provide, in line with current arrangements, that the chair will also be chair of any committee of the Fire Authority of which he or she is a member; and that the Standards Committee is to regulate its own procedure subject to meeting the requirements of legislation.
- 3 Under standing order 2(2), any amendment to standing orders that is moved and seconded stands adjourned to the next meeting of the authority. Thus the amendments will not be subject to debate and voting until the meeting in December.

Recommendation

- 4 That the amendments in the annex be noted (if they are moved and seconded).
